En savoir plus sur moi:

Français de base, j'ai vécu huit ans à Boston aux États-Unis (j'ai ensuite pris la double nationalité Américaine), et huit mois à Tokyo au Japon. Je suis curieux et j'ai de nombreux hobbies et centres d'intérêt. Les principaux sont l'escalade, la highline, le roller et la danse rock. Sur le plan académique, j'aime les mathématiques, la physique et l'informatique (je vais faire un master en ingénierie informatique à l'EPFL). J'ai tendance à me coucher assez tôt (tant que les devoirs me le permettent), et j'aime avoir un espace de vie propre (par exemple, j'ai l'habitude de toujours nettoyer ma vaisselle après avoir cuisiné avant de commencer à manger). J'essaye au plus d'étudier avec d'autres gens plutôt que seul, et j'aime faire des dîners collectifs. Vu que j'ai déjà vécu seul et en collocation, je suis apte à bien vivre dans les deux environnements.

Documents joints:

- **Copie de pièce d'identité du locataire:** passeport français
- **Copie de pièce d'identité du Garant:** passeport français
- **Lettre d'admission à l'EPFL**
- **Preuve de solvabilité:** Fiches de paye du garant

Your admission to EPFL for the academic year 2024-2025

Dear Sir,

The Admissions Board has studied your application, and we have pleasure in informing you that you have been accepted to EPFL. Here are the modalities of your enrolment:

Program	Master in Computational science and Engineering
Conditions	To submit before the beginning of your Master's studies and as indicated below the proof of successful completion of your Bachelor's degree
Scholarship	Should you have applied for a scholarship, you will get a separate reply soon.
Matriculation	Wednesday 4th and Thursday 5th September 2024, see below
Welcome day	Friday 6th September 2024
Beginning of courses	Monday 09th September 2024
Useful information	https://go.epfl.ch/new-master-students

Your matriculation at EPFL will only be possible if your final Bachelor's transcripts reach us before the beginning of the semester in September according to the procedure described on the page <https://go.epfl.ch/matriculation>. You must also be present in person for matriculation days at EPFL in September, as indicated on the webpage.

Please note that you must be in Lausanne no later than the 30th September 2024 to begin your studies. Past this deadline, you will no longer be authorized to start your studies.

At EPFL classes are taught in English and French. Please make sure that your level of competence in English and/or French matches the requirements of your program. For more information, please check <https://go.epfl.ch/master-teaching-languages> or get in touch with the administrative manager of your program. An intensive French course is offered at EPFL during the summer: <https://go.epfl.ch/intensive-french-course>. You will find all legal texts regulating studies at EPFL (in French) at <https://go.epfl.ch/polylex-en>

For all questions related to your arrival and your studies, please consult the Student Services Desk: <https://go.epfl.ch/student-services>

Note that the present decision is only valid for this year, and that you will need to apply again if you want to study at EPFL in the future.

We are looking forward to welcoming you to EPFL soon.

Yours sincerely,

Associate Vice President for Education

Prof. Pierre Dillenbourg

CONGRATULATIONS ON YOUR ADMISSION !

You have been admitted to our Master's programme in Computational Science and Engineering, starting on September 9, 2024 (see <http://cse.epfl.ch/Education>).

EPFL is widely acknowledged as a top-ranked research and teaching institution that attracts some of the best students in the world. We congratulate you on your admission to a very selective programme and we feel confident you will enjoy being part of this challenging community.

Our programme starts with three semesters of courses and projects totalling 90 ECTS credits. These include also an internship of at least 8 weeks. You will find a list of projects done by the students in CSE on our website <https://go.epfl.ch/cse-internships>.

You will find the full curriculum and the catalogue of courses on the following page: https://www.epfl.ch/education/studies/en/rules-and-procedures/study_plans/. Please note that the courses of our Master programme are provided in English.

You will be awarded the Master of Science in Computational Science and Engineering once you have completed your final master's thesis (30 ECTS).

Please also note the following useful links:

- Academic calendar : <https://memento.epfl.ch/academic-calendar>
- Study management : <https://www.epfl.ch/education/studies>

Friday 6th September 2024. The mandatory Welcome Day allows you to explore the campus and learn more about EPFL. Further details regarding this event will be communicated later on.

Should you have any question or problem, do not hesitate to get in touch with us. We will be happy to help you.

Yours sincerely,

Zsolt Patakfalvi
Directeur de la section de mathématiques
